

# Headed for Middle School? Join us this summer and get a *Running Start*

Calling all soon-to-be Edison sixth graders: Join us for a week of fun, laughs and learning at Edison Middle School. This is a perfect camp for students super anxious for middle school, students who don't know very many other students attending Edison and for students who are first time middle schoolers in their family.

Our four-day session will help you gain confidence for middle school. Students will:

- ✓ Enjoy team-building activities, games, AND make new friends
- ✓ Find out about how middle school works – teams, schedules, and much, much more
- ✓ Learn middle school rules and expectations
- ✓ Learn the way around the building (in a stress-free summer setting)
- ✓ Practice opening combination lockers so you are a "pro" and can assist others
- ✓ Tour the cafeteria, get familiar with lunchtime procedures
